INFLATABLE BOATS®

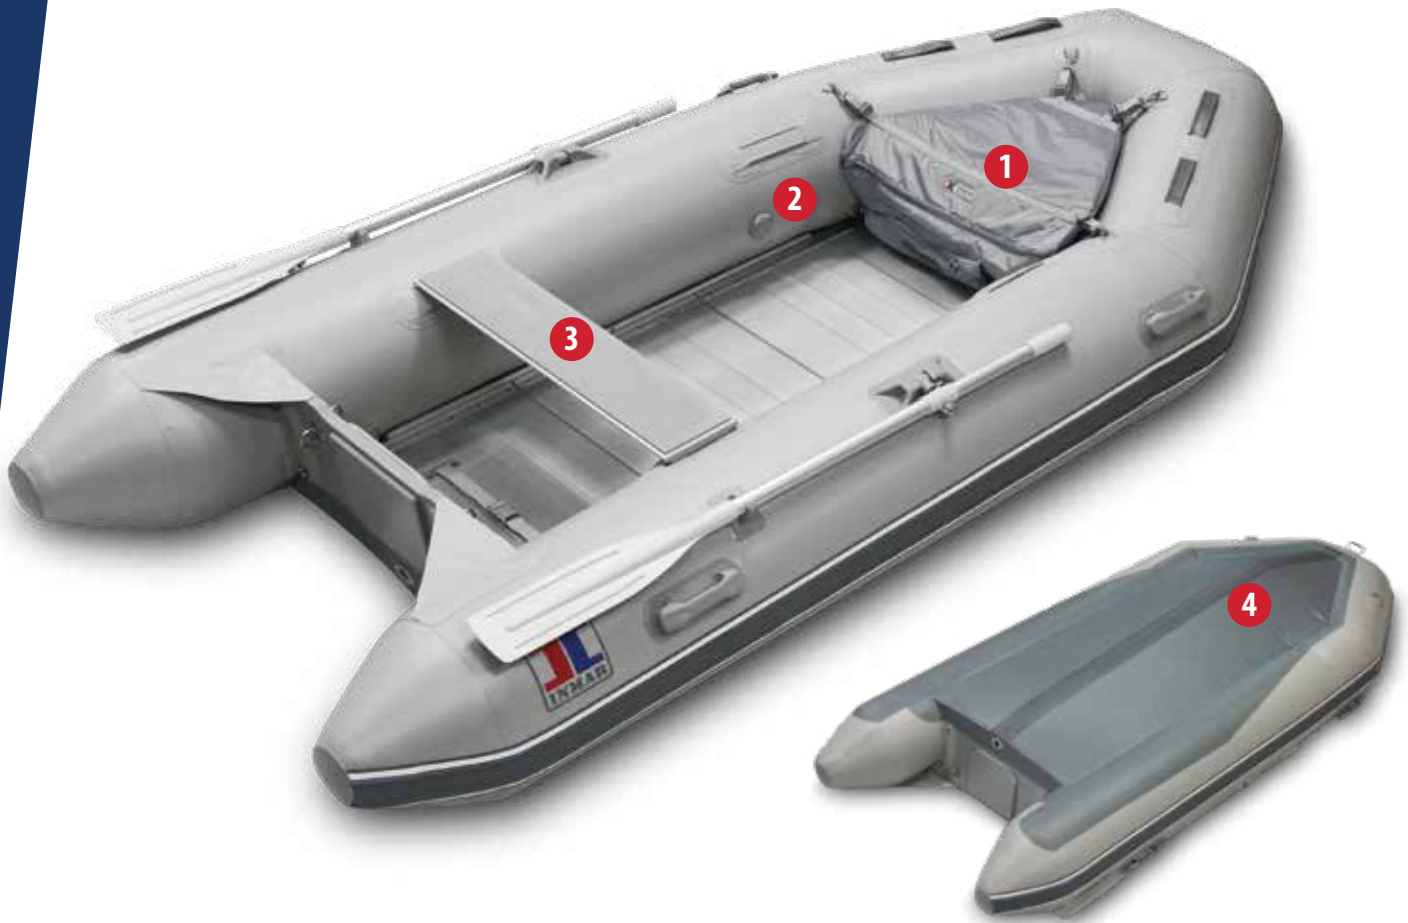

TENDER SERIES

INMARBOATS.COM

TENDER SERIES ALUMINUM FLOOR

We now produce the perfect aluminum floor recreational tender. The Tender Series® offers many of the features found in our Professional Inflatables, but with colors and options better suited for the recreational boater. Every Tender Series® boat has 3 independent air chambers. Loaded with features at an amazing value is the Tender Series® boat by INMAR.

SPECIFICATIONS

1. Bow Storage Bag*

Storage area for your life vests, anchor and safety equipment.

2. Over Inflation Valves

All our boats come standard with independent air chambers and over inflation valves.

3. Removable Seating

Seating can easily be removed or arranged for personal preference.

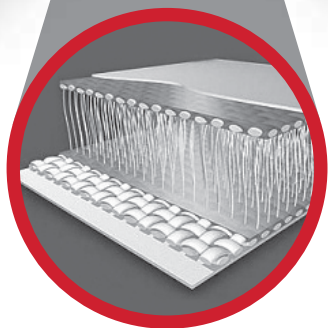

4. Inflatable keel

Every INMAR inflatable boat comes standard with a heavy duty inflatable keel to ensure straight tracking and higher performance.

TENDER SERIES AIR FLOOR

The Tender Series® Air floor models are the ultimate light weight modern tender. Super stable, and easily stow-able make these INMAR air floor boats the choice for many sailing vessels.

Hi-pressure floor (option)

Simply inflate and go boating with INMAR's Hi-pressure floor. Standard floor comes with EVA traction and 1600 denier drop stitch fabric.
